Esoteric Treatise of Hermetic Astrology

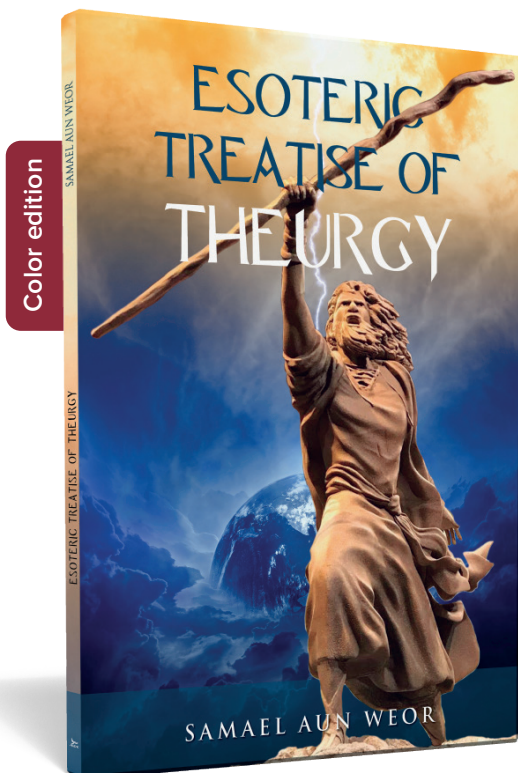

V.M. Samael Aun Weor

Pages: 168

Size: 15.5x22 cm

Since the most ancient civilizations, Sumerian, Babylonian or Egyptian, we have known the zodiacal belt which travels before our eyes around the Sun due to the movement of the Earth. That magic circle was divided into twelve constellations and from these it was known that they influenced our planet and the souls that inhabit it, determining characteristics and behaviors at the individual and collective level.

The Avatar of Aquarius, V.M. Samael Aun Weor, comes once again to separate the grain from the chaff, clarifying this knowledge, nuancing it when necessary and correcting it when the passage of time or unconsciousness had degenerated them. If the reader wants, finally, to understand the signs of the zodiac, he has in his hand the definitive answer.

The Fifth Gospel Volumes 1, 2, 3 & 4 of 8

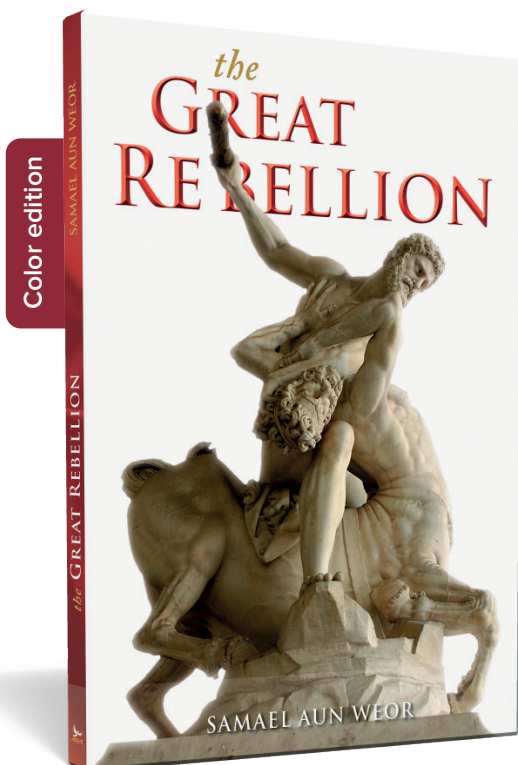

V.M. Samael Aun Weor

Pages: Volume 1: 296, Volume 1: 296, Volume 1: 356
Size: 21.5x29 cm

Since the immemorial times of Moses, Jesus of Nazareth, Buddha Siddhartha Gautama, Krishna, Mani and some distinguished spirits, passing on to the true ancient Templars lead by the Grand Master Jacques de Molay, the famous and brave Joan of Arc, etc., etc., etc., the much-desired Path of Hermes capable of re-connecting the human soul with its Divine Spirit, has never been shown to humanity as done by the Venerable Master and Avatar of the Age of Aquarius –Samael Aun Weor– ...

This great work entitled THE FIFTH GOSPEL, with all its enigmatic and profound content, constitutes the greatest effort that a Divine Hierarchy has made so far in order to try to completely remove the Veil of Mystery, the Veil of Isis, so that every person of any sex, color, language, continent or religious creed, may finally have access to the gate of Truth and, at the same time, have the knowledge of the rules and methods necessary to delve into the majesty surrounding the Kingdom of the Eternal.

Indeed, dear reader, it has been thanks to the incarnation of the Fifth Angel of the Apocalypse –V.M. Samael– that today we are living witnesses of the supreme revelation of the most hidden keys that make possible the regeneration of the Rational Humanoid in order to turn him again into that Adam whom, according to the most remote traditions, God created in his image and likeness with the purpose of making him sovereign and king of the very Nature. The Man, dear reader, carries within him the infinite possibilities that allow him, not only to get to know himself, but also the Cosmos or Universe of which he is a part, so that later, if he so wished, he can merge with Agnosthos Theos of the Gnostic tradition. Praise to the blessed Buddha Maitreya! Praise to the Rider of the White Horse from the Book of Revelation! Praise to Samael Aun Weor and his fifth trumpet, the Fifth Gospel, without which it is impossible to comprehend the previous four!!! May the centuries hear it, may the ages listen, may eternity remember it! Samael Even Weor has risen, has exalted himself, and this Aryan race has now in its hands the last word: either it decides, once and for all, to return to the Kingdom of Light, or it will have to be subjected to the judgment of the nations, ending up entering the buried Abyss of the Infernal Worlds, of which all the Sacred Scriptures speak!!!

The Seven Words

V.M. Samael Aun Weor

Pages: 68

Size: 13.5x20 cm

The V.M. Samael Aun Weor masterfully brings us closer to the most exalted figure of our Aryan race, who is known as Jesus of Nazareth or Jesus the Christ. The word Christ comes from the Greek word chrestos and means ‘anointed’. But who or what anointed the Master of Masters, the Great Kabir Jesus? There is no doubt that it is the same force of the Spirit, which came to him turning him into a true enlightened one, someone who, knowing perfectly the most occult mysteries of creation and of the Creator himself, gave an unparalleled teaching. And he delivered it by staging in the theater of life the processes that the soul of every authentic Initiate must live, to die in the illusory and transmute the darkness that oppresses into light that fills. Through the seven words that Master Aberamentho –the Christ himself– pronounced on the cross, the reader will finally understand the Great Work that this great Being carried out before our eyes so that he who has understanding may understand.

Never before has any author been able to explain the way forward to achieve the longed-for final liberation. However, in this transcendental and very beautifully bound work, the reader will find all that journey presented and explained like a legendary tale, so that we do not get lost and conquer in life the goods that no thief can steal from us: the kingdom of Eternity.

Parmenides postulated the ontological foundation of the Being, and in this text we find them renewed in the form of interesting Buddhist anecdotes and explained, as only the pen of this unequalled author could do, so that we know how to find behind the inert letter a vivifying message for the spirit of every seasoned person who dares to lean out into the abyss of the void (inner) that sustains everything.

Lynn Hachey

In this book, the reader has the opportunity to approach in a beautiful manner the phenomenal figure of Shakti, the eternal wife and companion of Shiva, with its five aspects, without whom the universe would not exist, and beauty and poetry would have no meaning or place. She, the Isis of the veil of mystery, as a selfless Mother, has always taken care of us, her children. But we, the prodigals, turned our back on her by delving as innocent and mistaken ones into the bitterness of the absence of her light.

With this book, we can redeem ourselves by understanding Her and learning that there is nothing greater, nor more filling for an aching heart, than the love of God Mother.

The Gnostic Book of Meditation

AGEAC

Pages: 438

Size: 15.5x22 cm

Meditation, historically well known in the East, has now become fashionable in the West and even doctors and psychiatrists advise it for healing and improving the states of their patients. Unfortunately, a snobbish current has appeared, and much verbiage has been poured out on this subject. This leads the devotee along paths that prevent him from doing it correctly, since meditation is something profoundly transcendental. In the present treatise, all the texts left on this subject by the Avatar of Aquarius –V.M. Samael Aun Weor– are gathered, clarifying all the doubts, explaining the correct technique and guiding anyone who truly wants to enjoy meditation and harvest its fruits on a physical and metaphysical level. As it is well known that no effort of intimate self-realization can give results without meditation.

The Coming of Buddha-Maitreya

Gregorio Urcola

Pages: 88

Size: 14x20 cm

It is written that in the times of goddess Kali, when people have forgotten their souls – in the words of the Venerable Melchizedek –, Vishnu will take a physical body to give people the last chance to redeem themselves. And this is written in all ancient traditions, from the Hebrew to the Aztec world, etc. In good time, Mr. Gregorio Urcola took the pen to clarify these matters and point out the man who assumed such a great task – the V.M. Samael Aun Weor–, thus showing people the apocalyptic moment that is taking shape on the planet Earth and the path to follow for those who want to select themselves to be saved by their own works.
